

Daily Staff Meeting

Wednesday, 2 May 1951

25X1

[redacted] reported that Personnel had confused the case of an applicant in whom General Smith was interested, even going to the extent of sending him PHS's while he was fighting in Korea. Gen. Smith had written to the individual suggesting he come to work for us and Personnel had sent him forms and said that after he filled them out he would be considered.

25X1

Mr. Reber reported that O/O had asked for a NSCID for the Documents Division. He was asked to hold a meeting with Mr. [redacted] and Andrews prior to presenting the matter to the Director.

25X1

25X1

Mr. [redacted] reported that he had talked to [redacted] Division Chiefs concerning personnel and recruitment matters and intended to do the same thing with O/PC.

25X1

25X1

Mr. [redacted] reported that he had been asked to attend a meeting at NSRB on dispersal.

25X1

Mr. [redacted] reported that G-4 had called to find out whether CIA should be represented in the Physical Security Equipment Agency.
